Intro : Solo Piano

At first I was afraid, I was petrified
Kept thinkin' I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong And I learned | **how to get along** > **Stacco -> Tutti**

And so you're | back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock, I should have made you leave your key
If I'd known for just one second you'd be back to bother me * **frase al piano**

B

Go on now, go, walk out the door
Just turn around now 'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye?
Did I crumble dis you think I'd lay down and die?

C

I'm a survivor
I'm not gon' give up
I'm not gon' stop
I'm gon' work harder
I'm a survivor
I'm gonna make it
I will survive
Keep on survivin'

Survivor

Thought I couldn't breathe without you, I'm inhaling
You thought I couldn't see without you, perfect vision
You thought I couldn't last without you, but I'm lastin'
You thought that I would die without you, but I'm livin'
Thought that I would fail without you, but I'm on top
Thought it would be over by now, but it won't stop
Thought that I would self destruct, but I'm still here
Even in my years to come, I'm still gon' be here

Rit X 2

Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live I've got all my love to give and I'll survive
I will survive Hey Hey
