### **Solista uomo “libero”**

Oh, let it shine, c'mon  
Now everybody just sing along  
Let the sun shine in  
Open up your heart and let it shine on in  
When you are lonely, let it shine on  
Got to open up your heart and let it shine on in  
And when you feel like you've been mistreated  
And your friends turn away  
Just open your heart, and shine it on in

### **Ending**

Let the sunshine, let the sunshine in, **the sunshine in**  
Rallentando!
