We're leaving together,
But still it's farewell
And maybe we'll come back
To earth, who can tell?
I guess there is **no one to blame**
We're leaving ground
leaving ground
Will things ever be
the same again?

We're heading for Venus
And still we stand tall
'Cause maybe they've seen us
And welcome us all,
With so many light years to go
And things to be found
to be found
I'm sure that we'll all miss
Her So again
